Dear Valued Customer,

Halyard and EBOS Healthcare are delighted to announce a new Master Distribution Agreement for the supply of all Halyard's products into New Zealand.

This new partnership will provide a best in class distribution model for NZ, with improved customer service and product support for Halyard's products. Halyard will continue to invest heavily in the NZ healthcare market and are committed to ongoing provision of exceptional quality and service, helping you provide the best protection for your staff and the best care for your patients and their clinical outcomes.

Halyard is proud to be partnering with a well-respected organisation in the NZ medical industry. The Halyard and EBOS relationship has already spanned more than 25 years, supplying and supporting the Hospital, Primary and Aged Care markets.

EBOS is a current supplier to all DHB's, Private Surgical Hospitals, many Day Surgery facilities, Primary Care, Aged Care and many other Allied Health and wholesale organisations in NZ. EBOS will stock the full current range of Halyard's products.

In order to facilitate a smooth transition, please continue to order HALYARD* products from your current supplier until 30 September 2019. From 1 October, the following will apply:

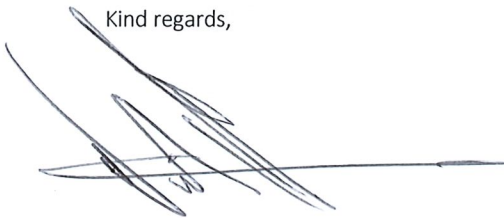

- All DHB purchases will switch to EBOS Healthcare.
- If your DHB works with Onelink as a supply partner, you can continue to purchase HALYARD* products via Onelink, or direct from EBOS.
- EBOS will support all existing non-DHB supply channels.
- All other customers will need to purchase via EBOS.

If you do not currently have an account with EBOS Healthcare and would like to purchase from EBOS direct, please utilise the following contacts to open an account:

Hospital and Aged Care: 0800 18 17 16
Primary Care: 0800 10 55 01
Online: www.eboshealthcare.co.nz

Both Halyard and EBOS are excited about this new way of working, and together we look forward to providing a streamlined and exceptional service to our NZ customers.

Kind regards,
