

Influenza vaccine needles available through EBOS Healthcare

Influenza Needle Distribution

EBOS HEALTHCARE IS WORKING WITH SEQIRUS™ TO PROVIDE BD NEEDLES FOR THE INFLUENZA VACCINATION PROGRAMME IN 2023. THIS YEAR THE INFLUENZA VACCINE WILL BE PRODUCED WITHOUT NEEDLES, CUSTOMERS WILL BE REQUIRED TO PURCHASE THESE SEPARATELY.

There are three vaccines available – FLUAD Quad specifically designed for people aged 65 years and over+, Afluria® Quad Junior for children 6-35 months, and Afluria® Quad for all other groups. For the 2023 season the vaccines will be needle-free.

There will be two needles available:
