# + Skin Care Lotion

Protection for skin integrity

- Non-greasy
- Fast absorbing
- Protects from dryness and chapping
- Provides a barrier
- Easily dispensed

Skin Care Lotion is especially formulated for the harsh conditions encountered by skin every day.

The non-greasy lotion protects skin from chapping, dryness and the effects of detergent alkalinity.

The formulation ensures its absorbency while softening your skin, providing a silicone barrier for lasting protection against harsh conditions.
